COMPETITIVE EXAM TRAINING

REPORT-2022-23

Qualifying the NEET exam is an eligibility criterion for BDS students to enter into the MDS course. Knowing the importance of the exam, Inderprastha Dental College and Hospital offers the classes for training the from I BDS to Intern students for competitive exam every year. The classes for training these students for competitive exams are held after the college timing i.e. at 4.30 to 5.30 pm every day.

The classes were offered without any charges to all the students from 1st Year BDS to Interns but there is a greater participation from Interns batch as they will be appearing for the NEET exam soon after the completion of the course. Out of **461 total students, 85 students participated** in the training classes.

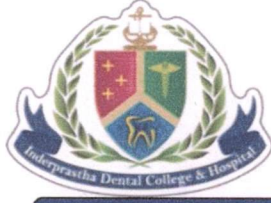

The objectives of training the students for competitive exams is

- 1- To make the students aware about the multiple choice based questionnaire
- 2- To offer an opportunity to all the students to undergo training for competitive exams,
- 3- To make the students confident for appearing the NEET exam.

The students posted in the respective departments are guided in their departments by the staff. The basic sciences subjects are revised during Public Health Dentistry Department posting, by splitting the three months posting in to one month for Public Health and 2 months for basic sciences subjects. The students are given ample opportunity to learn all the required tactics and become confident for appearing in competitive exams. The training progresses systematically, there is a subject discussion on each topic with the staff followed by MCQ based test twice a month (at 15 day interval).

The exam evaluation is done and the question paper is discussed with the students immediately after the test. It's made sure the students who could not perform during the test, are encouraged to study harder and their morals are boosted to perform better.

Overseas Opportunities after BDS "When, Where and How"

REPORT

Venue: Lecture Theatre 2

Date: 20-09-2022

Time: 10:00 am-11:30 am

Resource Person: Dr. Monika Kochar

Summary:

A programme on 'Overseas Opportunities after BDS "When, Where and How"' was conducted on 20th September 2022 in lecture theatre 2.

This lecture was aimed to broaden the perspective of under-graduate students to help them get an insight into the opportunities available in abroad.

The event began with the welcome message by Dr. Rahul Paul, Principal, IPDC followed by the lecture where the speaker commenced by explaining the need and opportunities of dentists in countries abroad like Australia, Singapore, Malaysia, Thailand etc.

She gave an insight knowledge about when they can apply for these opportunities, what all basic educational qualifications and work experience required to apply for working abroad. Also, the curriculum covered in the colleges abroad was elucidated to the students and faculty members present. A short interactive session also clarified the pattern and type of questions that are presented to students in colleges abroad. The students also learned about different ways of financing in case of studying abroad. This was followed by an open question and answer session with the audience regarding any skepticism regarding the overall opportunities and practices abroad.

117 students and faculty attended the programme.
