

Inderprastha Dental College & Hospital

LECTURE ON BIOMEDICAL WASTE MANAGEMENT

A Lecture was organized at Inderprastha Dental college & Hospital for BDS Third Year Students on 11th April 2023. The aim of the lecture was to introduce & train students for ideal ways of Biomedical waste disposal

The session was conducted By Dr. Ish Kumar Sharma (Reader), Department of Orthodontics & Dentofacial Orthopaedics. Hospitals and other health care facilities generate lots of waste which can transmit infections, particularly Hepatitis B & C, HIV, tetanus to the people who can handle it or come in contact with it. It was an interactive session discussing about the knowledge of segregation and disposal of biomedical waste and how to handle sharp and infected waste. The session was a great success with total number of 94 participants.

ORIENTATION PROGRAM 2022-23

BDS Orientation program was held on 16th January 2023 for the fresher batch 2022. Orientation day gives students and parents a chance to meet the faculty and staff members also for all students, it is the chance to meet new classmates and roommates. Fresher students are registered on the college software on the same day. Also, we have a mentor-mentee program in IPDC so on the day of orientation students and parents met their respective mentors with whom they would meet monthly in mentor-mentee meeting.

Books and manuals were distributed to the students and they were briefed about students's code of conduct by Dr Nikhil Puri.

WHITE COAT CEREMONY 2022-23

Inderprastha Dental College & Hospital held white coat ceremony for its BDS 3rd year students on 17th April 2023 in lecture theatre -2. The White Coat Ceremony is a rite of passage for medical students, and was created by the Arnold P. Gold Foundation in 1993. During the ceremony, a white coat is placed on each student's shoulders and often the Hippocratic Oath is recited, signifying their entrance into the medical profession. Thus, IPDC also organized the white coat ceremony to signify entrance of 3rd year students from preclinical work to clinical practice.

In the ceremony all students gathered in the lecture hall with their white aprons. All of them were asked to wear their white aprons and pledge Hippocratic Oath. The Hippocratic Oath is one of the oldest binding documents in history. Written in antiquity, its principles are held sacred by doctors to this day. To Pledge Hippocratic Oath Dr Preeti Upadhyay, IQAC Co-Ordinator, Professor & Head, Department of Periodontology was invited, Ma'am made the students to pledge this covenant in a very powerful and eloquent manner.

INTERNSHIP ORIENTATION PROGRAMME

Internship is a facilitatory period that hones skills and helps in the evolution of a qualified dental student to a competent dentist. The feeling of a final year student joining as a fresh intern after successfully completing the final professional examination will be directionless without a bridging initiative through a buffer program. Fresh interns need to be oriented to the fundamentals of working effectively with a patient as a whole and not as a separate discipline.

Inderprastha Dental College & Hospital conducted an 'Orientation program for Dental Internship batch 2018, on 17/05/2023. Prof. & Head Dr Preeti Upadhyay from Department of Periodontology addressed and welcomed the interns highlighting the importance of discipline, team spirit and hard work in clinical practice.

The interns were further briefed on academic requirements and general protocols & important aspects of 'Prevention & Control of Infection'. The event was concluded on a small note regarding 'How to prepare for Neet Exam for Pursuing MDS'.

Program Report

Human right Laws

IPDC conducted a Lecture “**Human Right Laws**” on **24 September 2022**, by Mr. Manav Vohra, an eminent lawyer.

The lecture highlighted the various Human Right Laws specific to male and female individually. Laws form the basis for the relationship between the government and the individual.

The speaker briefed about the laws specific to right to life and liberty and right to freedom of expression.

The program was attended by a total of 73 male and female participants.

LECTURE ON STERILIZATION & INFECTION CONTROL

A Lecture was organized by Inderprastha Dental College & Hospital for BDS IIIrd year students on 14th April, 2023. The aim of the lecture was to introduce BDS third year students for importance of sterilization & infection control and proper ways of doing it.

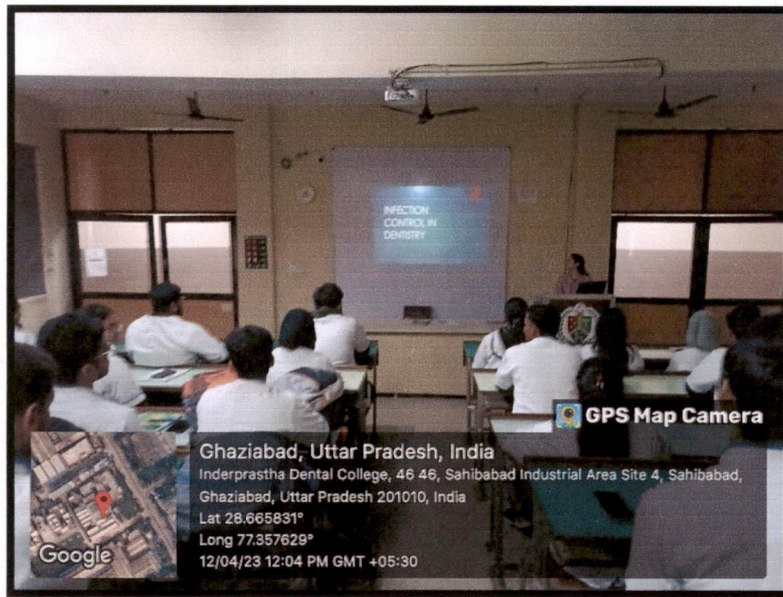

The lecture was delivered by Dr. Palkin (Reader), Department of Oral Medicine & Radiology. It was an interactive session aiming and discussing all types of infection control required in hospitals and dental clinics and all important points to be kept in mind by healthcare professionals while working on patients in clinical area. The purpose of the session was to train BDS third year students to follow all the sterilization protocols to reduce the cross contamination & infections.
