

The theme for World Oral Health Day 2021-2023 is “**BE PROUD OF YOUR MOUTH**”. As we all know that mouth is a mirror of human body, therefore being a dentist it’s our moral duty to create awareness among those who are unaware about their oral health. Department of Public Health Dentistry along with other departments post graduate students and interns of Inderprastha Dental College and Hospital organised a health promotion program keeping in mind the theme as mentioned by Federation Dentaire Internationale.

DAY 1

Oral Health importance and maintenance awareness session

IEC material was distributed among patients

Pledge taking by patients and dental and medical

School Dental Health camp at Uttam School for Girls, Shastri Nagar, Ghaziabad

DAY 2

Drawing competition was organised in CNS Playway School, Sahibabad Village.

Secondly, at **Raispur village** the program by Interns of Inderprastha Dental College and Hospital was performed in the form of a “**NUKKAD NATAK**” on topic “**BE PROUD OF YOUR MOUTH**”.

In Raispur Clinic, **Flouride application** was carried out by post graduate students, a step to prevent dental caries among underprivileged children.

DAY 3

Nukkad Natak was performed by Interns of IPDC College to motivate people towards their own oral health care at Sahibabad.

DAY 4

Oral screening camp was organized for **underprivileged children at NGO, Maharajpur**

Pit and Fissure Applicant

DAY 4

On 23rd March 2023, **an oral screening camp** was organized for **underprivileged children at NGO, Maharajpur**. After screening, all those children who need **pit and fissure sealant application** were brought to college through college vehicle and treatment was provided to them.

Day 5
