

Inderprastha Dental College & Hospital

Publication Type	Publication Title	Author-name	Journal-name	Year
International	management of a rare case of an infant with three natal teeth	Dr. Manish Bhalla	global journal for research analysis	2022
International	management of a rare case of an infant with three natal teeth	Dr. Ritika Malhotra	global journal for research analysis	2022
International	Management of natal teeth-A case report	Dr. Manish Bhalla	International Journal of Dental Science and Innovative Research	2022
International	Management of natal teeth-A case report	Dr. Ritika Malhotra	International Journal of Dental Science and Innovative Research	2022
International	Management of natal teeth-A case report	Dr. Pratik Pande	International Journal of Dental Science and Innovative Research	2022
International	Management of natal teeth-A case report	Dr. Gargi Mohanty		
International	Management of natal teeth-A case report	Dr. Sweta Shabnam	International Journal of Dental Science and Innovative Research	2022
International	Comparative evaluation of remineralizing ions release at acidic and neutral pH from glass ionomer cement, bioactive glass material and Alka site material- An in-vitro study	Dr Manish Bhalla	International Journal of Dental Science and Innovative Research	2022

International	Comparative evaluation of remineralizing ions release at acidic and neutral pH from glass ionomer cement, bioactive glass material and Alka site material- An in-vitro study	Dr. Ritika Malhotra	International Journal of Dental Science and Innovative Research	2022
International	Comparative evaluation of remineralizing ions release at acidic and neutral pH from glass ionomer cement, bioactive glass material and Alka site material- An in-vitro study	Dr. Geetika Datta	International Journal of Dental Science and Innovative Research	2022
International	Clinical, radiographic and microbial comparison of stainless steel, zirconia and reinforced composite crowns on supporting tissues of primary mandibular molars – A comparative invivo study	Dr Manish Bhalla	International Journal of Dental Science and Innovative Research	2022
International	Clinical, radiographic and microbial comparison of stainless steel, zirconia and reinforced composite crowns on supporting	Dr. Ritika Malhotra	International Journal of Dental Science and Innovative Research	2022

	tissues of primary mandibular molars – A comparative invivo study			
International	Impact of Various Dentinal Drying Methods on the Adhesion of Glass Ionomer Restorations to Primary Teeth	Dr Manish Bhalla	International Journal of Health Sciences	2022
International	Laser Ablation of Oral Mucocele in Pediatric Patient	Dr Manish Bhalla	International Journal of Dental Science and Innovative Research	2022
International	Laser Ablation of Oral Mucocele in Pediatric Patient	Dr. Ritika Malhotra	International Journal of Dental Science and Innovative Research	2022
International	Laser Ablation of Oral Mucocele in Pediatric Patient	Dr. Gargi Mohanty	International Journal of Dental Science and Innovative Research	2022
National	Esthetic Management Of Developmental Enamel Defect with Resin Infiltration Technique	Dr Manish Bhalla	Indian Journal Of Applied Research	2022
National	Esthetic Management Of Developmental Enamel Defect with Resin Infiltration Technique	Dr. Ritika Malhotra	Indian Journal Of Applied Research	2022
National	Biological restoration – Nature’s own alternative for primary care	Dr. Buneet Kaur	The Saint's International Dental Journal	2022

International	Management of verrucous hyperplasia involving the buccal mucosa using the buccal fat pad: A case report	Dr. Saumya Taneja	World Academy Of Sciences Journal	2022
National	Stylalgia and Styloidectomy: A Review	Dr. Saumya Taneja	Journal Of Maxillofacial Oral Surgery	2022
National	Systematic review and meta-analysis comparing the efficacy of dexmedetomidine to midazolam as premedication and a sedative agent in pediatric patients undergoing dental procedures	Dr. Saumya Taneja	Oral and Maxillofacial Surgery	2022
International	Clinical, radiographic and microbial comparison of stainless steel, zirconia and reinforced composite crowns on supporting tissues of primary mandibular molars – A comparative invivo study	Dr. Rahul Paul	International Journal of Dental Science and Innovative Research	2022
National	Mandibular growth direction prediction using symphysis morphology	Dr. Rahul Paul	Archives of Dental Research	2022
National	Accuracy and Efficiency of Model Analysis	Dr. Rahul Paul	Acta Scientific	2022

	Using an App Based Model Analysis Software		Dental Sciences	
National	Prevalence of Malocclusion & Orthodontic Treatment Needs Among Dental Students	Dr. Rahul Paul	A Journal of Advanced Dentistry	2022
National	Mandibular growth direction prediction using symphysis morphology	Dr Vineet Golchha	Archives of Dental Research	2022
National	Accuracy and Efficiency of Model Analysis Using an App Based Model Analysis Software	Dr Vineet Golchha	Acta Scientific Dental Sciences	2022
National	Prevalence of Malocclusion & Orthodontic Treatment Needs Among Dental Students	Dr Vineet Golchha	A Journal of Advanced Dentistry	2022
National	Mandibular growth direction prediction using symphysis morphology	Dr Deepti Yadav	Archives of Dental Research	2022
National	Accuracy and Efficiency of Model Analysis Using an App Based Model Analysis Software	Dr Deepti Yadav	Acta Scientific Dental Sciences	2022
National	Prevalence of Malocclusion & Orthodontic Treatment Needs Among Dental Students	Dr Deepti Yadav	A Journal of Advanced Dentistry	2022
National	Accuracy and Efficiency of Model Analysis Using an App	Dr Ish Kumar Sharma	Acta Scientific Dental Sciences	2022

	Based Model Analysis Software			
National	Accuracy and Efficiency of Model Analysis Using an App Based Model Analysis Software	Dr Mudita Gupta	Acta Scientific Dental Sciences	2022
National	Prevalence of Malocclusion & Orthodontic Treatment Needs Among Dental Students	Dr Mudita Gupta	A Journal of Advanced Dentistry	2022
National	Prevalence of Malocclusion & Orthodontic Treatment Needs Among Dental Students	Dr Vandana Gulia	A Journal of Advanced Dentistry	2022
National	Mandibular growth direction prediction using symphysis morphology	Dr Ankita Jhalani	Archives of Dental Research	2022
National	Mandibular growth direction prediction using symphysis morphology	Dr Ankush Bharadwaj	Archives of Dental Research	2022
National	Maxillary Obturator in Hemi Maxillectomy Patient: A Case Report	Dr Ishita Dureja	Journal of Oral Health and Dental Management	2022
National	Comparitive evaluation of post operative pain following single visit root canal treatment.	Prof(Dr) Dakshita Joy Sinha	Annals of Dental Specialty	2022
National	Comparitive evaluation of post operative pain following single visit root canal treatment.	Dr Nidhi Sharma	Annals of Dental Specialty	2022

National	Comparitive evaluation of post operative pain following single visit root canal treatment.	DR HONAP MANJIR I NAGESH	Annals of Dental Specialty	2022
National	Sticky bone using DFDBA bone graft in the management of the intrabony defects: A case report	Dr. Vikram Blaggana	Journal of MAR Dental Sciences	2022
National	Sticky bone using DFDBA bone graft in the management of the intrabony defects: A case report	Dr. Preeti Upadhya	Journal of MAR Dental Sciences	2022
National	Sticky bone using DFDBA bone graft in the management of the intrabony defects: A case report	Dr. Pragya Tripathi	Journal of MAR Dental Sciences	2022
National	Sticky bone using DFDBA bone graft in the management of the intrabony defects: A case report	Dr. Prashant Ranjan	Journal of MAR Dental Sciences	2022
International	Laser ablation of oral mucocele in pediatric patient	Dr. Pragya Tripathi	International Journal of Dental Science and Innovative Research	2022
National	Sub-epithelial connective tissue graft for root coverage- with one month follow-up.	Dr. Vikram Blaggana	Journal of MAR Dental Sciences	2022
National	Sub-epithelial connective tissue graft for root coverage- with	Dr. Preeti Upadhya	Journal of MAR Dental Sciences	2022

	one month follow-up.			
National	Sub-epithelial connective tissue graft for root coverage- with one month follow-up.	Dr. Pragya Tripathi	Journal of MAR Dental Sciences	2022
National	Sub-epithelial connective tissue graft for root coverage- with one month follow-up.	Dr. Prashant Ranjan	Journal of MAR Dental Sciences	2022
International	The Untold Saga of Chromotherapy in dentistry	Dr Geetika Arora	Journal of Family Medicine and Primary Care	2022
National	Assessment of remineralisation efficacy of different agents on artificially induced white spot lesions in primary teeth	Dr Manish Bhalla	Journal of advanced medical and dental sciences research	2021
National	LSTR and its potential role in conservative management of non-vital primary molar: A case report	Dr Ritika Ahuja Malhotra	Indian Journal of Research	2021
National	LSTR and its potential role in conservative management of non-vital primary molar: A case report	Dr Babita Rani	Indian Journal of Research	2021
National	LSTR and its potential role in conservative management of non-vital primary molar: A case report	Dr Kapil Gandhi	Indian Journal of Research	2021

National	Dental Management of a pediatric patient with Nephrotic Syndrome: A review	Dr Ritika Ahuja Malhotra	Indian Journal of Research	2021
National	Dental Management of a pediatric patient with Nephrotic Syndrome: A review	Dr Babita Rani	Indian Journal of Research	2021
National	Dental Management of a pediatric patient with Nephrotic Syndrome: A review	Dr Kapil Gandhi	Indian Journal of Research	2021
National	Dental Management of a pediatric patient with Kindler Syndrome: A review	Dr Ritika Ahuja Malhotra	Indian Journal of Research	2021
National	Dental Management of a pediatric patient with Kindler Syndrome: A review	Dr Babita Rani	Indian Journal of Research	2021
National	Dental Management of a pediatric patient with Kindler Syndrome: A review	Dr Kapil Gandhi	Indian Journal of Research	2021
International	Oral Myiasis affecting Paediatric Patients: A Systematic Review.	Dr Saumya Taneja	J Stomatol Oral Maxillofac Surg	2021

National	Post covid fungal infections of maxillofacial region: a systematic review.	Dr Saumya Taneja	J Oral Maxillofac Surg	2021
International	What is a better modality of maxillomandibular fixation, Bone supported Arch Bars or Erich Arch Bars? A Systematic Review and Meta-analysis.	Dr Saumya Taneja	Br J Oral Maxillofac Surg	2021
National	Assessment of psychological impact on dental students during corona virus disease	Dr Rahul Paul	International journal of dental sciences and innovative research	2021
National	Evaluation of Dental Arch Width of Garhwali Population having Normal Occlusion	Dr Rahul Paul	Journal Of Research and Advancement in Dentistry	2021
National	Impact of Covid 19 Pandemic on Dentists: Psychological Evaluation using DASS 21	Dr Vineet Golchha	Indian Journal of Forensic Medicine & Toxicology	2021
National	Evaluation of Dental Arch Width of Garhwali Population having Normal Occlusion	Dr Vineet Golchha	Journal Of Research and Advancement in Dentistry	2021
National	Evaluation of Dental Arch Width of Garhwali Population having Normal Occlusion	Dr Deepti Yadav	Journal Of Research and Advancement in Dentistry	2021

National	Evaluation of Dental Arch Width of Garhwali Population having Normal Occlusion	Dr Ish Kumar Sharma	Journal Of Research and Advancement in Dentistry	2021
National	Morphological variations in mandibular anterior:Case studies	Prof(Dr) Dakshita Joy Sinha	Annals of Dental Specialty	2021
National	Comparison of apical micro-leakage in different root canal obturation techniques : An in vitro study	Dr. Dakshita Joy Sinha	International Journal Of Dental sciences and innovative research	2021
National	Comparison of apical micro-leakage in different root canal obturation techniques : An in vitro study	Dr. Sarita Singh	International Journal Of Dental sciences and innovative research	2021
National	Comparison and evaluation of fracture resistance of endodontically treated teeth with different access cavity designs: An in-vitro study	Dr. Dakshita Joy Sinha	International Journal Of Dental sciences and innovative research	2021
National	Comparison and evaluation of fracture resistance of endodontically treated teeth with different access cavity designs: An in-vitro study	Dr. Sugandha Bhalla	International Journal Of Dental sciences and innovative research	2021
National	Comparison and evaluation of fracture resistance of endodontically treated teeth with	Dr. Nidhi Sharma	International Journal Of Dental sciences and	2021

	different access cavity designs: An in-vitro study		innovative research	
National	Comparison and evaluation of fracture resistance of endodontically treated teeth with different access cavity designs: An in-vitro study	Dr. Honap Manjiri Nagesh	International Journal Of Dental sciences and innovative research	2021
National	Comparative evaluation of fracture resistance of endodontically treated teeth with four different irrigating solutions: An in-vitro study	Dr Dakshita Joy Sinha	International Journal of Scientific Research	2021
National	Comparative evaluation of fracture resistance of endodontically treated teeth with four different irrigating solutions: An in-vitro study	Dr Sarita Singh	International Journal of Scientific Research	2021
National	Comparative Evaluation of Fracture Resistance of Endodontically Treated teeth With Four Different Irrigating Solution: An in Vitro Study	Dr Nidhi Sharma	International Journal of Scientific Research	2021
National	Mandibular Second Premolar with two separate roots and three canals: A Case Report	Dr Nidhi Sharma	GJRA-Global Journal for Research Analysis	2021

National	Comparative evaluation of fracture resistance of endodontically treated teeth with four different irrigating solutions: An in-vitro study	Dr. Anika Mittal	International Journal for Scientific Research	2021
National	Comparative evaluation of fracture resistance of endodontically treated teeth with four different irrigating solutions: An in-vitro study	Dr Vipul Goel	International journal of scientific research	2021
