## Orientation & Library Learners Program

A program to welcome the new batch of 1<sup>st</sup> BDS students is conducted in. It is attended by the students along with their parents.

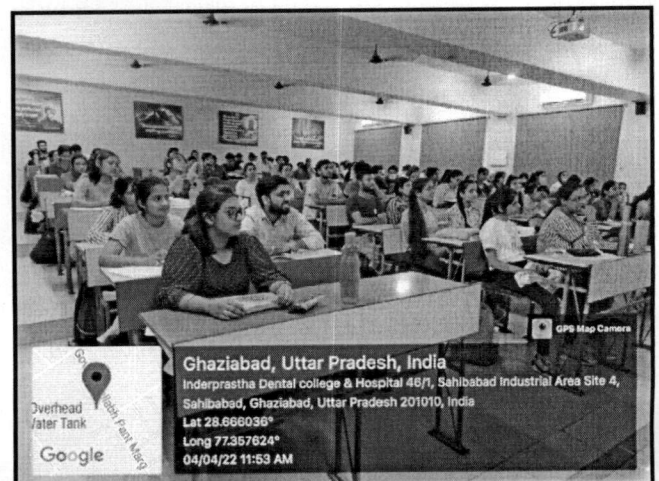

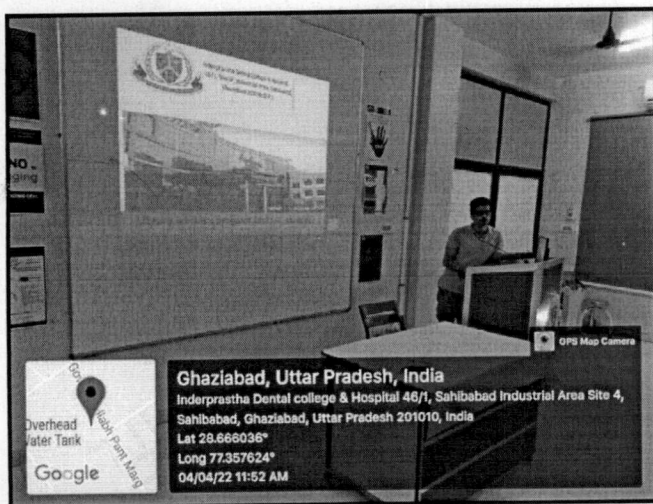

The inaugural program is followed by an orientation program wherein the students are given an overview of the curriculum by the respective Heads of the concerned departments, following which the students are taken around the campus.

The students are also oriented to the Code of Conduct along with anti-ragging protocols followed in the institute and the campus. They are introduced and briefed about the Mentor-Mentee program followed in the college.

A set of the Textbooks recommended for the various subjects for 1<sup>st</sup> BDS along with a kit of instruments are made available to all the students.

To sensitize students and motivate them, a library learners program is carried out by the Chief librarian wherein he briefs the students about the various sections of the library and how to access them.

## Orientation program for 1<sup>st</sup> year MDS students

PG induction program for the new batch of MDS students is held every year in the Seminar room, Department of Orthodontics. Dr Rahul Paul, Principal, gives a motivational talk for the students and emphasizes the significance of Professional Ethics. All the HODs, committee heads, Administrative, service & maintenance staff are introduced to the new Post Graduate students.

The students are briefed about the roles & responsibilities of the post-graduate students in each speciality and oriented to the Code of Conduct and the rules & regulations of the institute.
